Re: System Goals, 2008-2009

These values represent the essential and enduring commitments of the Wellesley Public Schools:

- Academic excellence
  - Cooperative and caring relationships
  - Respect for human differences
  - Commitment to community
- I. INSURE THAT ACADEMIC, SOCIAL, AND EMOTIONAL NEEDS OF STUDENTS ARE IDENTIFIED AND MATCHED WITH APPROPRIATE CURRICULA AND EXPERIENCES.

K.\* Identify and assess and implement strategies and community resources to address factors that

- G. Support supervision and mentoring of new administrators and facilitate team building for administrative teams in the next year.

recruiting, enrollments, changing student needs) to inform effective decision-making and long-range educational planning, including facilitating communications, and professional development.
